Festival Chair

Dr. John Wilton is well known in Central Florida as a mixed media artist maintaining a studio in DeLand, Dr. Wilton has participated in over 90 group and 40 solo shows and judged over 50 art shows. In 1995, he was awarded an Individual Artist's Fellowship from the state of Florida. Wilton has also completed several public art commissions in his home county of Volusia and the State of Florida over the years. After an early career as an art director, he taught Visual Arts and Digital Media for 27 years at Daytona State College, Stetson University and Embry Riddle University. For additional information visit www.johnwilton.com and www.johnwilton.net.

Cover Painting By John Wilton

Hello Central Florida Residents and Guests!

The Rotary Club of Seminole County South invites you to visit our 8th annual Art, Craft, & Wine Festival at the beautiful Cranes Roost Park in Altamonte Springs. Admission is FREE! The festivities during the weekend of November 17th and 18th include lots of entertainment, exceptional wines & craft beer, great foods and a children's play area to offer a fun time for the entire family. Many previous guests have enjoyed the Chili-Cookoff, where local chefs compete to win prizes for the best tasting chili.

The International Rotary theme for our 2018-2019 fiscal year is "Be The Inspiration". More than 35,000 Rotary clubs around the world with more than a million members, and just in Central Florida, there are 50 Rotary clubs. Active and retired business professionals and community leaders embrace the Rotary model of "Service Above Self".

All our fundraising events generate money that is distributed to local, national and international charities and feature local student scholarships. Rotary is pleased to say that our organization is one of the top worldwide charities, where less than 5% of our funds are used for administrative expenses, since almost the entire organization is run by dedicated volunteers.

Your continued support and generosity has enabled Rotary to do wonderful things for those who need it most. And we give a big THANK YOU to all the Rotarians, Partners, Corporate Sponsors, and Exhibitors who are making this year's Festival possible.

For more information, check us out on the web at: www.aacwf.com

Achievements Of The Rotary Club of Seminole County South

On March 8, 1969, Rotary International granted the Rotary Club of Seminole County South its Charter. Officially a member of the Rotary Family, the club, under the leadership of the first president, Jack P. Toole, commenced its "Service Above Self" with 33 members. Today, with 90+ members, here is a list of a few achievements:

Net proceeds from Rotary fundraising events go exclusively to scholarships and other charities. The Rotary Club's internal activities are funded only through dues and member contributions.

Over the years the Rotary Club has raised over $1,000,000.00 that was donated throughout the Central Florida Community. Recipients have included Seminole County Public Schools, Boys and Girls Clubs of Central Florida, Hospice the Comforter, MicheLee Puppets, Midway Safe Harbor, Seminole Work Opportunity Program (now known as Inspire), Intervention Services, Kids House of Seminole, Citrus Sports Foundation, Joy Cart of Orlando, Justice and Peace Center, La Amistad, Alzheimer's Resource Center, the Rotary Foundation, New Hope for kids Center, Reading is Fundamental, United Cerebral Palsy of Central Florida, Compassionate Friends of Orlando, Jewish Family Services, Foundation of Seminole County Public Schools, Be an Angel, Seminole County Friends of Abused Children, and Shelter Box USA.

Locally

- The Rotary Youth Leadership Awards annually
- Grant Scholarships to students annually
- Cook and Serve at the Coalition for the Homeless
- Built a house for Habitat for Humanity
- Created the Wekiva River Promise
- Wekiva River Clean-up
- Purchase 250+ bikes for needy children annually
- Raise money during the Salvation Army's Bell Ringing campaign

Internationally

- Host Group Study Exchange teams
- Built an orphanage in Santiago, Chile
- Constructed a medical clinic on the Ile de la Gonave, Haiti
- Projects in La Amiablle, Haiti including water supply and school improvements
- Built stoves and planted trees in Gutemala
- Purchased an Ambulance for the Mabalacat Surgical Program in the Philippines

Rising Achievers Program

Eighteen years ago, the Rotary Club of Seminole County South decided to accentuate the positive with young people in our community.

The Rising Achievers Program (RAP) was created to recognize two students from each of the Seminole County public high schools who have overcome challenges, obstacles or adversity. These students have managed unusual responsibilities in their lives, yet are still graduating and going on to pursue their dreams.

These RAP students managed to cope with their challenges, learn from them, and still keep going. Challenges such as being homeless, physical challenges, life-threatening illnesses, fleeing from a foreign country, victims of violent crimes, being raised in foster homes or public housing are not the life of a typical teenager. Some of these students could easily have slipped into a life of crime, but they chose to persevere to create a better life.

Coalition For The Homeless

For the last eighteen years, The Rotary Club of Seminole County South had been a proud partner of the Coalition for the Homeless located in downtown Orlando.

Approximately five times per year, our Rotary Club prepares and serves over 400 hot meals to individuals, families and children who are homeless. To date, our Rotary Club has served over 30,000 to those in need.

Our Rotarian volunteers, and their families members, serve generous portions of homemade meatloaf along with sides of green beans, kernel corn, bread, and small desert. Typically a line forms thirty minutes before the volunteers begin serving. Our volunteers are able to see, firsthand, the gratitude in each person's eyes as they serve them a plate of food. In addition, there is almost enough food available for a second helping.

There is nothing more rewarding than to offer you time and energy to give respect and compassion to so many that are mostly unnoticed throughout our busy lives. Providing these meals to individuals in need is just another gleaming example of what The Rotary Club of Seminole County does every day to make a difference in our community .

To learn more about the Orlando Coalition for the Homeless, go to centralfloridahomeless.org

Service Above Self-The Rotary Mission In Action

Each year, the Rotary Club of Seminole County South supports the Salvation Army of Seminole County by raising funds to support our neighbors in need. Our motto "Service Above Self" guides our philosophy and commitment to do all that we can to support our community. Our annual "Bell Ringer" project runs two weeks in December. During this time, Rotarians, members of the Lyman High School's Interact Club, and our friends and family participate in 12 hours per day drive to collect as many donations as possible. Whether it is simply ringing the bell, coordinating members to play instruments as an ensemble or engaging in joyful conversation, every donation received make a difference.

Since the start of the Kettle Drive in 2011, The Rotary Club of Seminole County has boasted being the #1 club in donation collections for several years. Past President Joe Williams continues to serve as Club Sponsor for this annual event. The Rotary Club of Seminole County South is proud to be a partner with the Salvation Army and Publix Supermarkets to make a positive difference in our community.

We look forward to our 2018 Annual Bell Ringer program and hope to see you at the Palm Springs Publix, located at Highway 436 and Palm Springs Drive in Altamonte Springs. Thank you for your continued support.

Scholarships For Seminole Students

The Rotary Club of Seminole County South annually awards scholarships to deserving Seminole County high school seniors from throughout the nine high schools in the County.

For 18 years the Club has been recognizing high performance seniors who have the desire to go to college but not the financial ability to do so. Their scholarship checks are written directly to the college/university/trade school they wish to attend.
