Hello Central Florida Residents and Guests!

The Rotary Club of Seminole County South invites you to visit our 7th annual Art and Craft Festival at the beautiful and newly renovated Cranes Roost Park in Altamonte Springs. Admission is FREE! The festivities during the weekend of November 18th and 19th include lots of entertainment, exceptional wines & craft beer, great foods and a children’s play area to offer a fun time for the entire family. Many previous guests have enjoyed the Chili-Cookoff, where local chefs compete to win prizes for the best tasting chili.

The International Rotary theme for our 2017-2018 fiscal year is “Making a Difference.” More than 35,000 Rotary clubs around the world with more than a million members, and just in Central Florida, there are 50 Rotary clubs. Active and retired business professionals and community leaders embrace the Rotary model of “Service Above Self.”

All our fundraising events generate money that is distributed to local, national and international charities and feature local student scholarships. Rotary is pleased to say that our organization is one of the top charities, where less than 5% of our funds are used for administrative expenses, since almost the entire organization is run by dedicated volunteers.

Your continued support and generosity has enabled Rotary to do wonderful things for those who need it most. And we give a big THANK YOU to all the Rotarians, Partners, Corporate Sponsors, and Exhibitors who are making this year’s Festival possible.

INAUGURAL CHILI COOK-OFF

This year’s Annual Art, Craft & Wine Festival has a new feature, a Chili Cook-off. Guests can enter to compete in the chili cook-off and win awards in various categories.

The cook-off is Saturday, November 19th and the tasting begins at 11:00 am. Follow your nose to the fountain area where the chili cookers are set up and start sampling the best chili around.

For a $10.00 ticket, tasters will be issued a wrist band, which entitles them to ‘all the chili they can hold.’ If you opt for the $25.00 ticket, you can enjoy three beverages (wine or beer) while you sample all the chili you would like. The chili at our festival may be prepared ahead of time in the style desired by the cook so you can potentially delight in a number of different tastes and go back for more of your favorite.

In addition to the chili, festival goers can sample over 30 wines, attend live musical performances, peruse the many local vendors and sample from a variety of food and beverage options.

KIDS KORNER

It wouldn’t be a festival without something special for our young visitors, and we have got that covered. In the Kids Korner, kids can jump as long as they want in the Bounce House and then roll up their sleeves to participate in plenty of hands-on craft activities! After getting active and creative, youngsters can get their faces painted. Bring the whole family to enjoy the 7th Annual Art and Craft Festival.

RISING ACHIEVERS PROGRAM

Fifteen years ago the Rotary Club of Seminole County South decided to accentuate the positive with young people in our community. The Rising Achievers Program (RAP) was created to recognize two students from each of the Seminole County public high schools who have overcome challenges, obstacles or adversity. These students have managed unusual responsibilities in their lives, yet are still graduating and going on to pursue their dreams.

These RAP students managed to cope with their challenges, learn from them, and still keep going. Challenges such as being homeless, physical challenges, life-threatening illnesses, fleeing from a foreign country, victims of violent crimes, being raised in foster homes or public housing are not the life of a typical teenager. Some of these students could easily have slipped into a life of crime, but they chose to persevere to create a better life.

7TH ANNUAL ART & CRAFT FESTIVAL
SERVICE ABOVE SELF—THE ROTARY MISSION IN ACTION

Each year, the Rotary Club of Seminole County South supports the Salvation Army by raising funds to support families in need. Our motto, “Service Above Self” guides our philosophy and commitment to do all that we can to support our community. Our annual “Bell Ringer” project runs two weeks in December. During this time, Rotarians, members of Lyman High School’s Interact Club, and our friends and family participate in a 12-hour a day drive to collect as many donations as possible to support Seminole County families. Proceeds from this event cover meals, food and other day to day expenses for families in need. Our Club Sponsor, Joseph Williams, organizes the club and leads the creative effort to gain as many donations as possible. Whether it is simply ringing the bell, coordinating members to play instruments as an ensemble or engaging in joyful conversation, every donation received makes a difference.

Since the start of the Kettle Drive in 2011, The Rotary Club of Seminole County South has boasted being the No. 1 club in donation collection for several years. And Joe Williams continues to serve as Club Sponsor for this annual event. The Rotary Club of Seminole County South is proud to be a partner with the Salvation Army and Publix Supermarkets to make a positive difference.

We look forward to our 2016 Annual Bell Ringer program and hope to see you at the Palm Springs Publix, located at the Highway 436 and Palm Springs Drive. Thank you for your continued support!

COALITION FOR THE HOMELESS

For the last seventeen years, The Rotary Club of Seminole County South has been a proud partner of the Coalition for the Homeless located in downtown Orlando.

Approximately five times per year, our Rotary Club prepares and serves over 400 hot meals to individuals, families and children who are homeless. To date, our Rotary club has served over 30,000 meals to those in need.

Our Rotarian volunteers, and their family members, serve generous portions of homemade meatloaf along with sides of green beans, kernel corn, bread, and a small dessert. Typically a line forms thirty minutes before the volunteers begin serving. Our volunteers are able to see, firsthand, the gratitude in each person’s eyes as they serve them a plate of food. In addition, there is almost always enough food available for a second helping.

There is nothing more rewarding than to offer your time and energy to give respect and compassion to so many that are mostly unnoticed throughout our busy lives. Providing these meals to individuals in need is just another gleaming example of what The Rotary Club of Seminole County South does every day to make a difference in our community.

To learn more about the Orlando Coalition for the Homeless, go to centralfloridahomeless.org.

SCHOLARSHIPS FOR SEMINOLE STUDENTS

The Rotary Club of Seminole County South annually awards scholarships to deserving Seminole County high school seniors from throughout the nine high schools in Seminole County.

For many years the Club has recognized high performing seniors who have the desire to go to college but not the financial ability to do so. Their scholarship check is written directly to the college they wish to attend.
